

CUSTOM MACHINING FOR UNIQUE PROJECTS

ASAP Industries Manufacturing is one of the largest machine shops along the Gulf Coast. Since 2003, we've provided comprehensive and custom machining services to global organizations — with a specialty in the Oil & Gas Industry.

As the premier quick-turn supplier in our industry, we maintain a large raw material inventory. From repair and recertification to building large diameter spools and adapters, we offer the services you need to move full steam ahead.

CERTIFICATIONS & LICENSES

- ISO 9001:2015 (3257) Certification
- API Q1 (Q1-3346) Certification
- API 6A (6A-1937) License
- API 16A (16A-0508) License

ALL-IN-ONE SOLUTIONS

We're committed to delivering reliable equipment and offering solutions that speak for themselves. With all your manufacturing, welding, and support needs in one place, you'll never have to waste time or money jumping through unnecessary hoops. At ASAP, we offer:

- ✓ Custom Machining
- ✓ API Product Manufacturing
- ✓ Custom Welding
- ✓ Pressure & Flow Control Equipment
- ✓ Repair & Recertifications
- ✓ Nondestructive Evaluation (NDE)
- ✓ Assembly & Testing
- ✓ Inspection
- ✓ BOP Repair & Recertification

COMMITTED TO QUALITY ASSURANCE

Quality is our number one priority — whether it's manufacturing dependable products or offering services you can trust. We believe in offering the best of what we can do while finding ways to improve along the way. That's why we offer services specifically tailored to ensure the highest quality assurance for your projects, including:

- ✓ API 6A, 16A Monogram
- ✓ Dimensional Verification
- ✓ Hydrostatic Testing
- ✓ Rockwell Hardness Testing
- ✓ Nondestructive Evaluations (NDE)
- ✓ QC Inspection

FREE LOCAL PICK-UP AND DELIVERY

We offer free pick-up and delivery along the Louisiana coast, Houston, and the surrounding areas.

FLUENT IN NAPKIN DRAWINGS

Our customized machined products don't always come from full-fledged engineered drawings. Sometimes, they're simply discussions centered on drawings from a napkin that we make come to life. When you partner with ASAP, you'll gain access to:

RELIABLE CUSTOMER SERVICE

We are problem solvers. We guide you through whatever you need, even if you don't yet know what that is.

QUALITY ASSURANCE

We are perfectionists. Our goal is to achieve the highest level of quality while striving for continuous improvement.

ON-TIME DELIVERIES

We are timeline sticklers. Our timelines are realistic so that you know what to expect and when to expect it.

VAST INDUSTRY KNOWLEDGE

We are experts. With a combined 300+ years of experience, our team is the best at what they do.

YOUR CUSTOM MACHINING & MANUFACTURING PARTNER

Headquartered in Houma, Louisiana, ASAP is an API-certified manufacturer of various flow control products used in drilling, completion, and production equipment. Our products include drilling and adapter spools, flanged and studded adapters, and sand separators. We specialize in large equipment with internal diameters up to 30" and pressure ratings up to 20,000 PSI.
