

# IS YOUR TEAM MISSING PART OF THE MESSAGE?

Office 365 improves communication and collaboration

LOGO

# NEVER MISS A DEADLINE WITH OFFICE 365

Microsoft Office 365 improves collaboration and communication for 85 million monthly users. Your team can simultaneously work on the same Word, PowerPoint or Excel document, which means your team never loses part of their message between edits.

## Office 365 also offers:

- Skype for Business
- Outlook
- Yammer
- SharePoint

Is your team making the most of Office 365? Find out with a free, no-obligation Office 365 benefits assessment—contact us today at [www.companyname.com](http://www.companyname.com) or call 555-555-5555.
